

Southern Nevada Dental Society

2009-2010 Continuing Education Series

October 9, 2009

Dr. Richard E. Mounce

"Increase your Endodontic Efficiency and Profitability"

Dr. Mounce is a native of the Northwest. He lectures globally on endodontic therapy and is widely published. He has been in full-time endodontic specialty practice since 1991. He was one of the first endodontists in the world to use the surgical operating microscope on a daily basis in 1992. He is married, and lives in Vancouver with his wife and family. Amongst other interests, he is an avid scuba diver and soccer supporter.

November 20, 2009

Dr. J. Mel Hawkins

"Local Anesthesia: 35 Years of Hits, Misses and Near Misses"

Mel Hawkins graduated with his DDS degree from the University of Toronto, Faculty of Dentistry and returned for his formal training in dental anesthesiology. He has 35 years private practice experience in Toronto with special emphasis on pain control, patient management and unique local anesthesia requirements. He is also Board certified as a Diplomate of the American Dental Board of Anesthesiologists, and is a Fellow of the American Dental Society of Anesthesiology.

January 22, 2010

Dr. Henry Gremillion

"TMD/Orofacial Pain Diagnosis and Management: Clarifying the Issues"

Henry Gremillion, DDS, MAGD, a Louisiana native, 1977 graduate of the LSU School of Dentistry, clinician and researcher, has been appointed the new dean of the LSU School of Dentistry. He also served on the city council. Earlier in 2009, the Academy of General Dentistry honored him with the Thaddeus V. Weclaw award for his "exceptional contributions to the art and science of dentistry and for promoting the principles and ideals of the academy." In the last two years, he has authored seven scientific articles and textbook chapters.

March 19, 2010

Dr. Perng-Ru Liu

"An Evidence-Based Approach in Implant and Restorative Dentistry"

Dr. Perng-Ru Liu is a 1985 graduate of Chung-Shan Medical University, Taiwan. He received his Prosthodontic Certificate and DMD Degree from University of Alabama at Birmingham School of Dentistry. He is currently a Professor in the Department of General Dental Sciences at UAB. Dr. Liu has been very actively involved in several grant supported clinical dental implant research projects. His research interests have been focused on clinical research of the restorative phases of several dental implant systems and in-vivo evaluations of the various esthetic restorative systems.
